Experience

Fullstack Developer <i>Techdome Solutions Pvt. Ltd.</i>	April 2024 – Present <i>Indore, Madhya Pradesh</i>
- Built and shipped AI-powered and real-time systems including an AI writing assistant (100% SEO score), a WebRTC-based interview platform, and a WebSocket-driven collaborative form builder — all adopted in production and marketed to enterprise clients. - Recognized with the Spot Award and Applause Award for exceptional dedication, work quality, and consistent high-impact contributions to the engineering team.	

Recent Projects

Telehealth Platform <i>Next.js, Nest.js</i>	Nov 2025 – Present
- Built core product and pharmacy workflows for a telehealth application, covering the journey from product selection to encounter creation and prescription submission. - Integrated third-party pharmacy providers into the platform to support prescription fulfillment and order processing. - Developed an order timeline feature to track the progress of prescriptions and related orders across the application.	
AI Writing Assistant Platform <i>JavaScript, PHP</i>	May 2025 – Sep 2025
- Developed an AI writing assistant platform with features similar to Quillbot, including paraphraser, summarizer, translator, and grammar checker, achieving 100% SEO score and contributing to significant user growth. - Built backend prompt-handling workflows in PHP to structure and refine prompts for higher-quality responses from AI models.	

Certifications

- JavaScript Algorithms and Data Structures – freeCodeCamp (2024)
- Frontend Development Libraries – freeCodeCamp (2024)

Education

B Tech Mechanical Automobile <i>Sree Chitra Thirunal College of Engineering, Trivandrum</i>	Graduated: 2022
